

Policies

To ride with us, please read and agree with the following:

I agree that there are dangers related to motorcycle riding and I further agree that on tours with "Sayious Adventure Park", there are certain additional dangers and risks, namely the following: Personal injuries of all nature are possible and I understand I must act responsibly while riding on the public roads, off-roads and other terrains/roads I might encounter during our tour with "Sayious Adventure Park".

I understand I cannot claim any personal or other damages from "Sayious Adventure Park" and staff. I also understand that I need to have an insurance issued by myself, and make sure this insurance is covering all kinds of sports, extreme sports, off-road (no official racing), personal injuries, hospitalisation, rescue and other related coverage suitable for off-road and street roads tours.

I confirm having an international valid and suitable driving license for the kind of bikes I will use in these tours provided by "Sayious Adventure Park". I understand I cannot find "Sayious Adventure Park" and staff liable for this.

Usage of data

I hereby agree that "Sayious Adventure Park" may use my name and address as well as all photos, films and other images of me during the entire tour, for marketing purposes, on Facebook, Instagram, Twitter or any other public communication which "Sayious Adventure Park" makes from time to time. I can revoke this agreement in writing, anytime before starting of the tour, if delivered in hand and by mail with return receipt to "Sayious Adventure Park". Sayious Adventure Park will never sell or distribute personal data of its clients to any other third parties.

Risk of injuries

On the tours, there are sometimes chosen riding techniques and riding speeds similar to motorcycle riding under competition conditions. Risks or dangers can't be excluded, even with the highest diligence of "Sayious Adventure Park" and the tour guides. In particular can't be excluded the danger of a damage caused by another participant of the tour. Following to the use of the motorcycle off road, sometimes even in heavy terrain, there is a high possibility of damage or increased wear.

The tours lead through way less or unsettled areas. The dangers in these areas consist in particular in deep canyons and obstacles like for example rocks, trees, holes and indentations, stone walls and ruins of walls and further varying or difficult soil, which can't be seen or occur, following to the speed, very quickly. Communication is difficult in some

areas. In case of an accident, rescue and medical care could be available late or not at all. Especially in rocky or mountain areas, the weather conditions can be extreme or change quickly and radically without warning.

I accept all these dangers and risks on the tours with "Sayious Adventure Park", in particular the risk of injury, demise, damage or loss of property. I admit, that the pleasure and the excitement on tours like the ones offered by "Sayious Adventure Park" are partly related to the motorcycle riding on particular routes or in the sometimes difficult terrain. The dangers under these riding conditions are part of the fascination on tours such "Sayious Adventure Park".

It's solely my task to estimate, if my riding skills are on a level high enough to master the route shown by the tour guides. The organizer or the tour guide isn't obligated to pinpoint and verify my riding skills and my abilities. I take cognisance of the specific dangers and risks on the tours and I take part at the tour on my own risk.

I understand and agree there is no liability of "Sayious Adventure Park" and staff on behalf of injuries and damages which I may sustain during the tour, neither wilfully or grossly negligent for an injury or damage caused by a partner or a member of the riding group, the protective gear and clothing I am using are under my responsibility, and I cannot ride without these (helmet, goggles, chest protection, elbow protection, gloves, jersey and pants, knee protection and riding boots). I also know I must use prescription glasses if so are mentioned in my international driver's license.

In the event I am using "Sayious Adventure Park" rented or free of charge protective riding gear, I understand the same as above mentioned rules applies. I understand I cannot hold "Sayious Adventure Park" and staff liable for the quality or performance of these protective gear and accessories.

Any liability of "Sayious Adventure Park" or the tour guides is excluded for material damage or damage to persons if caused by myself, except if these damages are covered by the liability insurance prescribed by the regulations. In any case, the scope of the claim is limited at the extent of the insurance cover in the precise case. I accept in any case to not to prosecute "Sayious Adventure Park" and staff or any on their behalf.

Medical data

When you participate in our rides, you will be asked to fill a medical form. We will ask you on food allergies, medical conditions, issues that we need to know and prevent or approve you of participating in our events. It is our responsibility to stop you from participating in case we decide you are not capable in medical terms. In such a case we will refund you the package price in total but not any traveling expenses. We will also ask you if you are under any kind of medication in order to make sure we /you Carry it with you in our rides.

Refusal to inform us on your medical issues is a reason to stop you from participating.

Any of Sayious Adventure Park crew can decide at any time that you are not able to participate or continue an event realising or suspecting a medical issue.

We hold absolutely no responsibility in case of misunderstanding, hiding of misinterpreting any of the fields in this paragraph or any paragraph in our terms of agreement.

Injuries

In case of an injury our company will perform its best efforts to fulfil the procedures and demands on your private extreme sports or sports participating insurance.

In case of insurance lack, we will perform our best efforts to immediately seek medical assistance.

If it is not an emergency, Sayious Adventure Park crew is trained in first aid and we will perform our best efforts to support you and help you with your health issue.

It is solely your responsibility to avoid an injury. Our staff will never force you, challenge you, provoke you or make you perform in a riding level you don't wish to or can't.
